

**RESPONSES TO PROPOSAL QUESTIONS  
MADISON COUNTY SCHOOL BOARD RFP AUDITING SERVICES**

**Q1.** Appendix A requests Certified professional audit staff assigned to Madison (Number) and underneath the line for the number are two lines: 1. And 2. What does the Board want included for lines 1 and 2?

**A1:** The Board is asking how many certified staff you will be proposing to be part of the audit of the school internal accounts. Two lines were provided in case you had different categories of certified staff who would be placed on the audit team for the district.

**Q2.** Appendix A requests an hourly rate. Does the Board want a combined/blended hourly rate (since there is only one line) or may we provide individual hourly rates for all key positions?

**A2:** You may provide individual hourly rates for all key positions. Simply add additional lines to the Appendix form for the rates.
